 $^{^{\}ast}$ Joe's Value Shipping requires an address deliverable by the United States Postal Service.

The Shipping and Handling chart is for shipments to the 48 U.S. contiguous states. It is also for our customers in Alaska, Hawaii, Puerto Rico, and APO's. We welcome orders shipped outside the U.S. Just call for actual shipping charges. If gas prices remain unsettled, we may find it necessary to adjust the prices for shipping and handling. Rest assured that even in these unpredictable times we'll "hold the line" as long as possible. We offer **FREE FREIGHT** on orders over \$200 (except for large orders that exceed 100 lbs./items shipped by truck). This Free Freight offer is good for Joe's Value Shipments to the 48 contiguous states. We can always ship by air when you need your stuff fast. Call for charges. Though it doesn't speed up travel time, **a \$5.99 RUSH** fee will guarantee that your order leaves our warehouse the same day if we have it by 12:00 P.M. eastern time **NOTE:** If your package weighs less than 15lbs. (excluding sheet paper, Gatorboard, portfolios, perfect

show systems, individual canvas, canvas rolls or long canvas, print racks, some easels, most furniture & projectors) we can ship 2 Day Air Service for an extra \$12.99\$ (48 contiguous state shipments). This \$12.99\$ is in addition to the standard S & H charges (see chart on front). If your order weighs more than 15lbs., or you have NO idea how much your order weighs, call us for actual charges. Some catalog items may have additional freight charges associated with them which are indicated on a product by product basis. Thanks.

*Check Policy — Orders paid by check may be delayed up to 15 business days. Rush, UPS 2 Day, etc. may not apply. Driver's license # and phone # must be provided on check.

ABOUT SALES TAX?: State sales tax is only applicable to orders shipped from our facility to a North Carolina address. Sales tax is currently 6.75%. Sales tax may be collected on drop/truck ship items depending on origin and destination of shipment.

• **RUSH SHIPPING OPTIONS** – For an additional \$5.99 you may want to consider adding a "RUSH" to your order. This will move your order to the head of the line, making sure that it leaves our warehouse that business day. In order to make this happen we will have to receive your order no later than 12:00 PM eastern time. If your order is received after that time your RUSH will ensure that your order leaves on the following business day. A RUSH will not affect the delivery or travel time of your order, it is just to prioritize your orders movement within our warehouse.

Thank You For Your Order: We Appreciate Your Business
